EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. James R. Crawford on 9/16/09.

The application has been amended as follows:

In claim 31, line 2, after "material system", please, insert ---,---; line 4, after "water-soluble", please delete "copolymer or terpolymer which", and insert thereof ---,---; line 6, after "and", please delete "comprises", and insert thereof ---consists of---.

Please cancel claims 18-30.

2. The following is an examiner's statement of reasons for allowance:

Applicant's amendment to claim 31, and 34 filed in the response on 8/5/09 is acknowledge. The pending claims as amended, recites a composition comprising a water-soluble biopolymer or terpolymer which consists of two or three recurring units (a), (b), and (c). Albrecht et al. (US-887) and

Art Unit: 1796

Schinabeck et al. (US-760) teach water-soluble polymers containing more than three recurring units as essential components. The instant "consists of" further excludes the vinylphosphonic acid recurring unit (B) as defined by formula (2), which is an essential component in Oswald et al. (US-853). Accordingly, previous 102 and 103 rejections of record are hereby withdrawn. The instant invention as defined by claims 31-34 is allowable over closest prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Helen L. Pezzuto whose telephone number is (571) 272-1108. The examiner can normally be reached on 8 AM to 4 PM, Monday thru Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Wu can be reached on (571) 272-1114. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
